TODAY'S PRESENTATION:

Oshkosh Media
Jake Timm & Joe Wiedenmeier

Today's Presentation

Today's presentation is by Jake Timm & Joe Wiedenmeier of Oshkosh Media.

Wiedenmeier of Oshkosh Media.

Since 1987, Oshkosh Community Media Services (OCMS) has provided community television programming on CATV 2 and live government television programming on CitiCable 10 on the Oshkosh Time Warner Cable lineup. Through the years, the OCMS mission has remained the same: to encourage an informed citizenry, preserve the creative spirit and independent voice, recognize the work and service of non-profits, and build community pride.

Rebranded to Oshkosh Media in 2015.

Thank you Jake & Joe!

50 Things Every Rotarian Should Know About Rotary
 (44th in a series)
 By Steve Garret
 District 5300 Governor 1994-1995

44. POLIOPLUS

PolioPlus is Rotary's massive effort to eradicate poliomyelitis from the world by the year 2005. It is part of a global effort to protect the children from five other deadly diseases as well as the "plus" in PolioPlus. The program was launched in 1985 with fund-raising as a primary focus. The original goal was to raise \$120 million. By 1988, Rotarians of the world had raised more than \$219 million in cash and pledges. By 1994, the cash total exceeded \$246 million! These gifts have enabled The Rotary Foundation to make grants to provide a five-year supply of vaccine for any developing country requesting it to protect its children. Grants have been made to nearly 100 countries-a commitment, thus far, of \$181 million to buy vaccine and to improve vaccine quality.

Achieving eradication will be difficult (only one other disease, smallpox, has ever been eradicated) and expensive (estimated cost to the international community is nearly \$2 billion). It will require continuing immunization of children worldwide, and it also must include systematic reporting of all suspected cases, community-wide vaccination to contain outbreaks of the disease, and establishment of laboratory networks. Rotary will not be alone in all these efforts but in partnership with national governments, the World and Pan American Health Organizations, UNICEF and others. Rotary's "people power" gives us a special "hands on" role. Rotarians in developing countries have given thousands of hours and countless in-kind gifts to help eradication happen in their countries.

No other non-governmental organization ever has made a commitment of the scale of PolioPlus. Truly it may be considered the greatest humanitarian service the world has ever seen. Every Rotarian can share the pride of that achievement!

Empty Bowls - Service

Sunday, Nov 10, 4-7pm
 Becket's Atrium

Those who attend are able to select from handcrafted bowls, sample delicious soups and breads from 20+ local restaurants while listening to live music. Proceeds from your donation will benefit food pantries and meal programs in the Oshkosh Community. The bowls are to be taken home as a reminder that someone's bowl is always empty.
