OACF & COTS
Karlene Grabner & Cindy Sahotsky

Today's Presentation

Today's presentation is by Karlene Grabner - Director of Donor Services, Oshkosh Area Community Foundation and Cindy Sahotsky - Executive Director, Appleton COTS

COTS, Inc. is a non-profit 501(c)(3) organization helping individuals experiencing homelessness in the Fox Cities. COTS provides transitional shelter to individuals in Outagamie, Winnebago and Calumet counties. We treat all people with dignity and respect. Our goal is to end homelessness by enabling individuals to transition to self-sufficiency and stable, independent living.

We are home to over 60 individuals on a daily basis. COTS assists residents in their transition to self-sufficiency by providing a safe, affordable place to live, food, hygiene and household needs, and life skills training. We provide Positive Placement planning and ongoing case management to each resident in our program for up to two years. We also provide three years of Positive Placement (aftercare) Services following the resident's successful transition to other safe and stable housing.

Thank you, Karlene & Cindy!

**50 Things Every Rotarian
Should Know About Rotary**
(48th in a series)
By Steve Garret
District 5300 Governor 1994-1995

48. About Community Service

A community, defined in its simplest terms, is a group of people who have something in common. But in real life, it is something far more complex than that. Each member — every individual, group, organization, and business — draws benefits from the community in many different ways. For a community to thrive, each of its members must honor a commitment to contribute to the well-being of the whole by returning those benefits in kind.

Rotarians recognize the importance of giving back to the community. After all, Community Service is one of the Four Avenues of Service. Every Rotary club and every Rotarian assumes a responsibility to find ways to improve the quality of life for those in their communities and to serve the public interest. When those efforts are effective, they not only contribute to the greater good, they also promote Rotary's positive image

What makes a community service effort effective? Relevance. A community service project must address a real, current community concern or issue. Rotary clubs should start by surveying their communities to find out where help is needed. Once a club has listened to its community, it can begin to envision effective responses to problems.
