Today's Presentation

Today's presentation is by
Dr. Newman, Chief Medical Officer

Many individuals are asking us how they can help Advocate Aurora team members combating this community health concern. At this time, we are introducing the **Relief Fund for Critical Care** and the **Team Member Crisis Fund**.

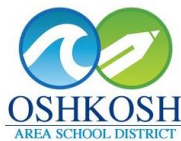

The Relief Fund for Critical Care will be used exclusively to ensure additional resources needed to treat our patients, and to keep healthy the experts, who serve them, are at the ready. Our Team Member Crisis Fund will be used to assist team members who are financially impacted by COVID-19.

Thank you for your kindness and supporting those who dedicate their lives to serving the sick and vulnerable. They are daily heroes and your generosity is very much appreciated at this time.

Please use the following link for the latest information on this virus and what you need to know: www.AAH.org/coronavirus

District Grant Received

President Elect Jessica Benesh recently applied for ... AND RECEIVED ... a \$750 District Grant for 2020-21 targeted to COVID-19 response.

Funds will be distributed to the Oshkosh Area School District to assist with their "Grab-and-Go" food

program.

The Oshkosh Area School District is pleased to announce an expansion of its Free Grab-and-Go Meal Program. Effective Friday, April 3, 2020, the OASD will provide free meals for the weekend. Weekend meals will be distributed on Fridays, providing those in need with three days' worth of food. There will be no weekend meal distribution sites. Instead, students, families, and community members must visit an OASD meal distribution site (school or neighborhood) on Friday to receive food for the weekend. LEARN MORE:

May 6	TBD

Recurring Events

2nd Monday May 11	Club Board Meeting Location TBD
Cancelled Until further notice	Environmental/Beautification 8-9am, JP Coughlin Bldg

From DG Steen Sanderhoff

To all Rotarians in District 6270,

Rotary has never been more important. As a Rotarian your leadership is vital

to get our state, country and the world through this crisis. Every day we learn about new developments and how the virus is spreading across the globe. But you are right in your community and are better positioned than any to understand the specific needs close to you. I ask you to provide leadership, use of your skills, experience and draw on your connections to business, non-profits and government. It is yet another opportunity for Rotary to step up and make a difference.

We have been asked to stay at home, if we do not provide essential services, and we need to do our part and respect the social distancing. But we still need to take care of our families, our elders and our fellow Rotarians.

Provide support for your Rotary family. Try to help our younger Rotarians with children that are home from school. Call on the elderly members of your clubs. When you go shopping anyway, buy for a member not able to shop, and bring it to the doorstep. It so important we stay in touch.

Clubs have cancelled their meetings and events, but in this day and age, we have many new ways of getting together. Several Clubs are already meeting on the net through platforms like ZOOM, recording speakers and posting them on YouTube or Facebook. We need to stay connected.

For many of us this is new territory. But we must challenge ourselves; maybe go outside our comfort zone. It is never too late to learn and when this is over, we have found new efficient ways to communicate and we will all be better for it. It is part of the future.

The District has signed up with ZOOM and will be conducting District meetings, seminars and educational sessions on this platform. Don Griffing and a group of Rotarians have volunteered to help Clubs sign up for an account. Rotary has a discount program with ZOOM. (Discount code: ZOOMROTARY)

A lot of good ideas, needs and requests are floating around between Clubs and Districts. This folder is where Clubs and individuals can park ideas, best practices and recommendations to other Clubs.

Our National Government, State and City Governments have many agencies, experts and resources we can tap into. Rotary International is also offering guidance and resources. Please check in on Rotary.org, "My Rotary" on a regular basis. Let's share these resources in the new folder on the District website, below are examples of resources you can tap into.

Our communities need Rotary and Rotary needs you. It is more important than ever we retain our membership. The members of Rotary are the leaders in the communities with experiences and skillsets that are not only needed right now, but also, when we later are rebuilding.

Stay a member please, we need you.

Although our resources are limited, the District will try to support your efforts to the best of its abilities. We will get through this very difficult time, but in the meantime, let's step up, stay in touch and let Rotary Connect the World.

Thanks for all your hard work.

Rotary 

THE FOUR-WAY TEST
Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster.

first
The development of acquaintance as an opportunity for service.

second
High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

third
The application of the ideal of service in each Rotarian's personal business and community life.

fourth
The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.
