RI NEWS

RI Pres. Holger Knaack

The new Rotary theme for 2020-2021: Rotary Opens Opportunities.

Knaack wants everyone to enjoy Rotary — and to be proud to be part of it. “All of us love this organization, and all of us should feel we ought to do something to make Rotary stronger,” he insists. “It’s not hard to do more: be more involved in your club, more interested in your friends, more involved in projects and pro-

grams. Ask yourself: Is our club involved in youth service? Can we come up with better ideas for fund-

raising? And the club also has a responsibility to make people feel good, feel welcome, feel proud. It has to feel special to be a Rotarian.” RI Board of Directors have approved a 7th area of focus for global granting: Supporting the Environment. Supporting the environment

is added to the list of priorities including: peacebuilding and conflict prevention, disease prevention and treatment, water, sanitation and hygiene, maternal and child health, basic education and literacy and community economic development.

Grant applications for projects will be accepted beginning July 1st, 2020. More information about this new cause will be announced soon.

Now is a great time to get involved with The Community Environmental and Beautification Committee of Oshkosh South West Rotary.

THE FOUR-WAY TEST
Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
