COMMUNITY SERVICE

Shared Harvest is a very popular program designed to help those in need receive fresh produce from the Oshkosh Farmer's Market. It is more important than ever during this time to get healthy food to those who need it. Helping out consists of picking up food from vendors every other week, for about 1 hour. Also in great need of 2 Rotarians to take over the program going forward.

Contact Sue Schnorr if you are interested in this program.

District Governor Nomination Notice for 2023-2024

District Governor Nomination Notice for 2023-2024

Rotary District 6270 is now seeking candidate proposals from Rotary Clubs for the position of District Governor in the 2023-2024 Rotary Year.

Serving as Rotary District Governor (DG) is a great honor. Governors are the official representative of Rotary International in the district. The mission of a Governor is to lead clubs, inspire Rotarians, and engage the public by articulating Rotary's role in our community. District Governors serve for one Rotary year, from July 1 to June 30. Governors are actively engaged in District decision-making leading up to their year as Governor. Serving as District Governor is a life-changing experience. As they prepare, Governors receive training, plan, assemble their teams of volunteers and collaborate to create a budget. You can learn more about serving as District Governor by downloading [Lead Your District: Governor](#), published by Rotary International.

Jennifer E. Jones Makes History, Named Rotary President-Nominee

(By Ryan Hyland) Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history. Jones will officially become president-nominee on 1 October if no other candidates

challenge her. Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how im-

portant it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."
