Today's Presentation

Today we welcome local author Ron LaPoint.

Ron is a retired high school history teacher who grew up on Oshkosh's south side. He and his wife Carol have 7 children and 10 grandchildren. They winter in Arizona and summer in Wisconsin. Since his retirement he has written four books about his hometown ... Oshkosh ... (fifth one in the works). Thank you, Ron!

This is Rotarian Sue Schnorr's last year with Shared Harvest.

A Rotarian, or two, is needed to take over this program for our club. We started this popular program over 15 years ago to help supply the Oshkosh Area Community Pantry with fresh produce.

Consider taking part in keeping this valuable program going.

Help is needed at the Oshkosh Farmers Market on 9/12

For more information, contact Sue Schnorr

Roosevelt Elementary

Our PAL, Roosevelt Elementary students are in need of 50 water bottles and size small neutral

colored sweat pants.

In addition, because art is in the classroom, they could use watercolor paints and markers for all students to have their own. (Not dry erase.)

You can bring to the next meeting.

For more information, contact Marcus Butz or Kari Seefeldt.

Installations of **Be A Water Hero** medallions will have a new socially distanced look this year.

1. Those that have expressed an interest in installing medallions will be contacted via email. 4 groups of at least 2 people are needed.
2. Each group will receive a color coded route map. Each group will be assigned a different color.
3. The group leader is to contact Ken Friedman to set up a time to pick up the bag of installation supplies from his garage. Ken will be copied on all emails to keep everyone in the loop.
4. Groups are to schedule their own date/time for install. There will not be an organized mass install date for everyone.
5. Once installation has taken place the supply bags can be returned to Ken or to Vicky. Email when you will be dropping off.
