New Member

The following individual has been recommended for membership by the Board of Directors. **First Posting**

Name: Greg Giles
Vocation: UWO Foundation Executive Director
Proposed by: Bill Wyman

**Meet our Members
 Nick Hahn**

Meet Nicholas Hahn! Nick serves on our Board of Directors - International Service.

Hometown: Kailua, HI

Occupation: Attorney at Godfrey & Kahn,

S.C. specializing in bankruptcy, insolvency, and creditors' rights.

Family: Wife, Ellen Hahn and sons, Lucien (9) and Steven (2)

Hobbies & Interests: Before the pandemic, I enjoyed ice skating and learning to play, albeit badly, hockey. I've since started doing electronics and coding. I am finishing up on my first design that I've prototyped and want to put on a printed circuit board. I've also been learning Python to dabble in artificial intelligence. I've been toying with the idea of building an autonomous robot to identify weeds in my sidewalk cracks and spray roundup for me. That will be a long term project.

College(s) & Degree(s): Beloit College B.A. Political Science, 2003. Defense Language Institute A.A. in Korean Language, 2006. University of Wisconsin-Madison J.D., 2013. University-level Study Abroad - Palacky University in Czech Republic, 2001. Erfurt University in Germany, 2002. Kyoung Hui University in South Korea, 2008.

Awards & Accomplishments: At one point I was proficient in Korean, Czech, Polish, and German according to Department of Defense testing. My Polish, German, and Korean are unfortunately pretty rusty now.

What do you love about Oshkosh Southwest Rotary? It's great meeting new people, learning new things through the weekly presenters, and having a chance to do positive things in the community - and internationally. If people don't step up and do things, things won't get done.

What organization(s) do you enjoy volunteering for in the community? Besides Oshkosh Southwest Rotary, I'm a member of the Oshkosh / Winnebago County Housing Authority Board, and I am involved with my older son's Cub Scout Pack.

What's something people wouldn't know about you? I was chosen as the graduation speaker by my Korean language cohorts and quoted Friedrich Nietzsche in my speech.

If you could have a superpower, what would it be? Flying would be fun.

Thanks to Nick for all of his efforts with our International Partners! We are lucky to have him a part of our club!

THE FOUR-WAY TEST

Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
