

## TODAY'S PRESENTATION:

**The Science Behind the Covid Vaccine**  
**Rob Rigoni , RPh**

**SEE YOUR EMAIL FOR MEETING ID AND LINK**

## Today's Presentation

Today we welcome Rob Rigoni, Registered Pharmacist.

Rob will explain the science behind the Covid vaccination, how it works and the novelty of it. He will also answer any questions people may have about the vaccination.

Southwest Rotary will be serving meals at the Day By Day Warming Shelter on Friday Jan 29 and Thurs Feb 25.

6 people are needed.

Plated meals are served via the kitchen service window (not cafeteria style as in the past).

If interested, contact Jessica Benesh.

Do you have an idea for a fundraiser, program, project ... for our club? Something socially distant and safe for all?

Now is the time to get involved more than ever.

Contact Jessica Benesh or Mike Vaughan with your ideas.

Remember: 100% of the proceeds from the sale of these tickets comes right back to our club.

### Famous Rotarians

Sir Edmund Hillary was a New Zealand mountaineer, explorer, philanthropist and Rotarian.

On 29 May 1953,

Hillary and Sherpa mountaineer Tenzing Norgay became the first climbers confirmed to have reached the summit of Mount Everest.

After this achievement Hillary used much of his fame to establish the Himalayan Trust which he used to advance the wellbeing of the Sherpa peoples.

Hillary was a member of the Rotary Club of Auckland New Zealand.

### Heroes of Oshkosh

Heroes is on the lookout for items with life left including couches, loveseats, dressers (tall are preferred), washers/dryers and mattresses/box springs (twin, full, queen). Our Hero Haulers would be able to pick up throughout the next few weeks if needed.

For more information, contact Adam BellCorelli

### UWO ready to celebrate 150 years

Alumni, students, faculty and staff will be sharing the 150-year story of the University of Wisconsin Oshkosh throughout 2021.

Since the university's inception in 1871 as the Oshkosh Normal School for teacher training, UWO's name has changed several times as the educational focus has expanded to meet the needs of students in northeastern Wisconsin and beyond.

The UWO digital timeline can be seen at [uwosh.edu/150/history/](http://uwosh.edu/150/history/) featuring milestones and fun facts.

"We're excited to celebrate our 150<sup>th</sup> year of providing top-notch education to build our region's future leaders, teachers and health care workers," said Lynn Kleman, UWO's Sesquicentennial Committee chair and interim associate vice chancellor for development.

Sesquicentennial activities will include an audio walking tour, a Humans of UW Oshkosh project, a community picnic to mark the official first-day anniversary, a 150th fundraising campaign and a blacktie Black and Gold Ball.

The sesquicentennial spirit will be infused into move-in time for students, commencement ceremonies in the spring and fall as well as the Golden Titan Reunion and Homecoming.

### PRESIDENT OF AMCOR FLEXIBLES NORTH AMERICA TO SPEAK AT TELTALK EVENT

Fred Stephan will host a virtual seminar on leadership skills, hosted by Oshkosh Area United Way and United Way Fox Cities

In trying times there is always a need for positive leadership. With new changes every day in the workplace, experience at facing those challenges is imperative. Fred Stephan, President of Amcor Flexibles North America, is accustomed to working under pressure and creating solutions to new challenges.

"I believe that when you share what you've learned with others," says Stephan, "it enhances everyone's thinking and improves our collective ability to adapt. Creating solutions to challenges is the best part of being in business, and applying those skills to help create better communities is always rewarding."

Stephan will be speaking at the quarterly Today's Emerging Leader Talk to discuss "Leadership and Change Management," and how his expertise can help new leaders in the Oshkosh community. Today's Emerging Leader Talk is a series of seminars conducted by business and non-profit leaders on how to positively impact their community.

"I have a personal passion for giving back to the community," says Stephan. "United Way helps focus that passion to where it's most needed for me and so many who share my desire to help others."

Stephan has been a successful business leader in the Oshkosh area for many years, and he wants to give back to the community by investing in its leaders.

The TELTalk will take place virtually over Zoom from 12 to 1 p.m. on Thursday, January 28, 2021. Those who wish to be in attendance must register on the Oshkosh Area United Way website at [www.oshkoshunitedway.org/january-2021-tel-talk-registration](http://www.oshkoshunitedway.org/january-2021-tel-talk-registration). Interested readers can also visit Oshkosh Area United Way's Facebook page for more event information.

**About Oshkosh Area United Way:** Oshkosh Area United Way is a local nonprofit organization established in 1962. The mission of Oshkosh Area United Way is to improve the lives of our community members by leveraging people and resources to create innovative solutions to community needs.
