

TODAY'S PRESENTATION:

Forensic Nursing/Sexual Assault Nurse Examiner Program Brenda Doolittle

Today's Presentation

Today we welcome **Brenda Doolittle BSN, RN, SANE-A, SANE-P, Forensic Department Supervisor, Forensic Department**. She will be talking specifically about what they see in Winnebago County at Aurora Medical Center, how they work with the Police Dept, University, etc.

Forensic nurses at Aurora Health Care are available any time of the day or night. In 2016, we provided services to more than 1,400 sexual assault survivors. Our expertise from treating a high volume of survivors helps us provide information, care and compassion when it is most needed.

Aurora Health Care's forensic nurse experts provide medical care and so much more to survivors. Our in-depth understanding of the laws and justice system means you can count on us to help you navigate your legal options. Even if you do not wish to press charges, we lend a caring ear and help you take the first steps toward regaining your sense of wellness.

At Aurora, you can receive more of the services you need in one program. Our team takes care of your immediate medical needs in the emergency room. Our forensic nursing experts help you start healing as soon as your medical care is complete. Find out more about our emergency room locations.

From pursuing legal action to protecting your health, the first steps in your healing journey include making a lot of decisions. Our role is to explain options and find out your preferences, so we can help you pursue the care and services that are right for you.

Our compassionate approach means we always respect your wishes. You are free to change your mind or ask for more information at any time.

An invitation from the Downtown Club:

I would like to extend an invitation to join our club members at the hotel that day so that we can all "attend" the district conference opening day together representing Oshkosh clubs.

For those members that feel comfortable attending in person meetings, this may be an opportunity to connect with other Rotarians. While the district conference will be virtual, Oshkosh Rotary members from all 3 clubs can meet and partake in the conference as a group.

We will have a continental breakfast for all those attending, therefore, I need for those attending to please sign up so that Christy can have the proper amount of food for all to enjoy.

It is also essential that anyone attending also register for the conference itself, in addition to letting me know who will be attending May 1st at the hotel in person.
