

TODAY'S PRESENTATION:

TEDxOshkosh
Craig Burnett

Today's Presentation

Today we welcome Rotarian Craig Burnett, Co-organizer of TEDxOshkosh.

We believe in the power of a great thought, the resonation of an idea and the discussions they prompt. A great thought is what led us to create TEDxOshkosh.

What is TEDx?

In the spirit of ideas worth spreading, TED has created a program called TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxOshkosh, where x = independently organized TED event. At our TEDxOshkosh event, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

After a hiatus necessarily imposed by the COVID-19 pandemic, the TEDxOshkosh team is thrilled to announce that TEDxOshkosh will return **live** to the historic stage of The Grand Oshkosh on Saturday, November 20, 2021.

After such a long hiatus of social gatherings, the TEDxOshkosh team thinks our re-emergence in late fall of 2021 will be one of the things that help our community to return to a sense of normalcy. Working jointly with the staff of our venue, The Grand Oshkosh, and with insight from local health officials, we will put on TEDxOshkosh following recommended safety practices suited to the time of the event in late November.

THE FOUR-WAY TEST
Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
