

TODAY'S PRESENTATION:

Vet Team Steps up for K9s
Lyn Schuh

Today's Presentation

Today we welcome
Lyn Schuh

While the community may view police canines as a cute, furry, unstoppable

force, they – and the dogs' handlers – may not realize they get injured more than the average pet. A group of longtime veterinary colleagues stepped into providing training to first responders in how to treat a canine if they are hurt in the line of duty through the Operational K9 Medical Team of Wisconsin (OPK9).

Dr Lisa Converse (fka Peters), Lyn Schuh CVT, & Kris Eggleston CVT, are the core group and founders of the Operational K9 Medical Team of Wisconsin. Along with the assistance of Veterinarians, Veterinary Technicians, Canine Trainers, and various members from the Human Medical Community, they have been educating K9 law enforcement handlers across the State of Wisconsin on prehospital medical care for their two partners for over a decade.

Recently, they have added Search and Rescue, Military K9 Teams, EMS Personnel and Firefighters to their training sessions. The training classes range from basic handling skills of K9s to advance life-saving procedures using scenario-based training. In addition, the team advocates for prehospital care legislation and was actively involved in the passage of Wisconsin Senate Bill 435.

The Mission of the Operational K9 Medical Team of Wisconsin is to provide prehospital care education and support for those assisting injured Operational K9's throughout the State of Wisconsin.

Thank you, Lyn!

Day by Day Warming Shelter Help Needed

My fellow Rotarians,

The Day by Day Warming Shelter has been running at max capacity.

When Lynn and I served dinner there recently, the shelter had to turn people away due to their capacity limit of 25. We made extra food that night and were able to send several who were turned away with dinners to go but this is not always the case.

The shelter is in need of small (\$5-\$10) gift certificates to restaurants near to the shelter such as Hardees, Subway, Jimmy Johns, Big Apple Bagel and Erbert and Gerberts, that they can give out so that those who cannot get in the shelter that evening can still get something to eat.

Lynn and I will put in the first \$100 and we are hoping many of you will consider helping out. Anyone willing to help can bring their gift cards to Rotary or drop them by my office and I will make sure that they get to the shelter.

Thank you!
Matt Bakalars
