Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives.

We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

THE FOUR-WAY TEST
Of the things we think, say or do

first
Is it **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
