### EAA / Flying Rotarians

I hope your spring is going well. As you probably saw, I sent out a survey to gauge the Club's interest in restarting the EAA

picnic. There was overwhelming support to restart the picnic. The club was split between hosting the picnic on EAA grounds and offsite. The Rotarians flying in would prefer to host the meeting at the Pavilion as we have done in the past.

In order to get this process moving, I put together an impromptu committee meeting for those who expressed interest in volunteering on a committee this past Wednesday night, which was not well attended. As a result, those in attendance agreed that we would hold a follow-up meeting on **Wednesday, March 30, 2022 at 11:15am** before the meeting. The meeting will be at the **Oshkosh Convention Center**, since that is where our lunch will be next week.

To make this picnic happen, we will need several more members to step up and actively work to restart this. A number of the people who were instrumental in planning and carrying out the picnic in the past have become less active in the club, so we'll need new people. It is obvious that the picnic can't plan and execute itself. We're a service organization that prides itself on service above self.

I look forward to seeing many of you on **Wednesday at 11:15am** at the **Oshkosh Convention Center**. If any of you have any questions, comments or concerns, feel free to call or email me. I'm generally reachable.

In 2023, our club  
will be celebrating  
its 50<sup>th</sup>  
anniversary.

It is never too early to start planning.  
Therefore, I am looking for photos from

commemorative book.

We will also be starting a committee to
