Razia's Ray of Hope

Dear Friends,

Our 7-12th grade girls have not been permitted in class in 9 months, and I know you, like me, are heartbroken by this delay.

We continue to plan for their return, what the girls need more than ever is hope. Can you help?

I am asking you to send letters with words of hope and encouragement to be shared with our 300+ secondary school girls still at home.

Show them the world is standing with them and they have not been forgotten.

For many years I have taught my girls that we must keep moving forward. Even when progress seems small, we can't give up. In the face of obstacles, we must continue to believe in the future.

Thank you for believing in these girls and helping us give them hope.

Razia Jan

Please email letters, drawings, photos, and words of support to sponsorship@raziassrayofhope.org to be distributed to 7-12th grade girls in Deh'Subz, Afghanistan.
