Today's Presentation

Today we welcome **Michael Raymond** from **Imagine Road Productions**.

I help businesses, professionals, and artists engage high-value clients using video-based marketing strategies.

The core of my work is 'Storytelling'. As a Multimedia Journalist and Videographer, my expertise lies in helping you tell your story and engage your audience using video and other forms of multimedia.

I have a Bachelor's Degree in Journalism from UW-Oshkosh; have taken Master Classes with Filmmakers Ron Howard and Martin Scorsese, Documentary Filmmaker Ken Burns and Photographer Annie Leibowitz, as well as taken advanced marketing courses.

Beyond my traditional and non-traditional education, I have had a rich array of experiences working with a diverse world community, contributing greatly to my ability in helping my clients tell their story and achieve great results.

Thank you, Michael!

That's a Wrap!

12 months have surely flown by! Wow that went quick. It started with our sendoff boat cruise for Jessica and Todd and will be ending with our famous changing of the guard social. We had a busy year with a number of different events, sponsorships, and community functions. 21-22 was a year of "getting back to normal" as we still dealt with some Covid issues, however we added a few members, brought back Mac & Brew, and had a very successful Parent Connection Christmas party!!

I would like to take a moment to say Thank You! Thank you to our membership for supporting me over the past 12 months. I'm not a fan of public speaking (as I'm sure you noticed throughout the year), but you all made it enjoyable and I can't thank you enough. Thank you to my Board of Directors ... coming out of a pandemic, bringing back some events, trying to make the right decisions in the interest of the club and safety of all involved. We lost a couple board members throughout the year and so many of you stepped up and fill those holes. It was a great effort by all and Thank You for all your hard work!

I guess that is a wrap! Enjoyed leading our club and we will be in great hands with Brad as our next President.

Thanks, Mike.
