

WELCOME ROTARIANS

Peter Teahen & John Ockenfels | Eastbound: April of 2023

Members of International Fellowship of Flying Rotarians

AROUND THE WORLD: Flight to End Polio

Flight in 2023

In partnership with **Rotary**  Districts 5970 & 6000

ONE ENGINE, TWO PILOTS AND A 2:1 DONATION MATCH

Peter Teahen and John Ockenfels are raising awareness for polio eradication by piloting a single engine aircraft all the way around the globe!

Peter and John will take off from Cedar Rapids, Iowa April of 2023 in a Piper Lance (single engine) airplane. Along the way, they will encourage support of ending polio forever throughout the world.

Both Peter and John are pilots, Rotarians, and members of the Fellowship of Flying Rotarians. Polio eradication has been a primary focus of Rotary for over 35 years and continues to be a major initiative. While the end of polio may be near, no child anywhere is safe until every child has been vaccinated.

100% of your contribution will be donated to the Rotary Foundation Polio Plus Program.

The pilots, Peter Teahen and John Ockenfels are covering the entire cost of the flight as well as taking time away from their careers and lives to help end polio.

Please consider a contribution to help end polio forever. Donation levels for our flight are:

- **Wingman Sponsor:** \$5,000 or greater.
- **Commander Sponsor:** \$750 - \$4,999
- **Captain Sponsor:** \$300 - \$749
- **Co-Pilot Sponsor:** \$25 - \$299

SPECIAL THANKS

Thanks to the Bill and Melinda Gates Foundation, your donation will be matched 2:1, getting us even closer to a polio-free world.

BRAT FRY & CORN ROAST
