

TODAY'S PRESENTATION:

UWO Foundation
Greg Giles

Today's Presentation

Today we welcome **Greg Giles**, Executive Director, UWO

Foundation and fellow Rotarian.

A lot has happened with the UWO Foundation over the past 4 to 5 years and we are back in business. Greg will give a presentation about how the Foundation is doing and what the focus is moving forward.

The University of Wisconsin Oshkosh relies on a variety of revenue sources to fulfill its mission of teaching, research and public service. State support accounts for a small percentage of the University's budget and therefore private funding supplements state and federal dollars and supports many special programs and projects. Examples of these are professorships, scholarships in all academic disciplines, research efforts and building projects.

Thank you, Greg!

The Grand Oshkosh

After five previous outings, TEDxOshkosh returns for a sixth year, bringing new ideas worth spreading - Live and Local!

Licensed by the TED organization, TEDxOshkosh produces a local event with an immersive day of short, powerful talks on a wide variety of topics, in the famous "TED Talk" format.

The full day includes plenty of conversation breaks (with snacks, of course!) and a catered, hot lunch to have even more time to discuss the Ideas Worth Spreading presented at TEDxOshkosh.
