Today's Presentation

Today we welcome our own Rotarian, **Dr Eric Smiltneek**.

Dr Eric's Skate Club, an after school activity for Oshkosh areas students, meets at the Menominee Park ice rink (near the New York Avenue) weekly. As conditions allow, we also provide skates for the community to use at the Roe Park Ice Rink.

Eric Smiltneek, a family doctor at Advocate Aurora Oshkosh, started Dr Eric's Skate Club in January 2014 as part of an Oshkosh Area School District initiative to encourage lifelong fitness and healthy living for area students.

The Club meets weekly (weather permitting) from the end of the school day until 4:30 pm. Participants in the Oshkosh Area School District after school programs (Lighted School House, MELT and Boys and Girls Club of Oshkosh) come in small groups.

Dr Eric's Skate Club also partners with International Youth Sailing of Oshkosh and the Oshkosh Recreation Department to expose students and community members to a variety of winter activities such as snowshoeing and cross country skiing.

Thank you Dr Eric!

In Search Of ...

In 2023, our club will be celebrating its 50th anniversary.

It is never too early to start planning. Therefore, I am looking for photos from 2013, 2014, 2015 to include in a commemorative book.

We will also be starting a committee to plan and coordinate the festivities.
