

TODAY'S PRESENTATION:

Oshkosh YMCA
Brandy Hankey

Today's Presentation

Today we welcome Brandy Hankey, the Director of Wellbeing & Group Exercise for the Oshkosh

Community YMCA. Her responsibilities include overseeing Group Exercise, Corporate Wellness, Mental Health Initiatives, Employee Wellness, Homeschool Fitness, and the Kids Mud Run. Brandy is excited to share information about the community impact the YMCA has, a new support group for grieving seniors, new corporate wellness options, and ways you can get involved this summer.

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living, and social responsibility. Across the U.S., 2,700 Ys engage 21 million men, women, and children – regardless of age, income, or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change. Whether you're looking for a place to get fit and relieve stress, a caring environment for your children, or a volunteer program to give something back to your community, you'll find it at the Y. Our programs ensure that we strengthen more than just the body. We strengthen the foundations of community.
