

## TODAY'S PRESENTATION:

**Wisconsin Man Art  
Michael Cooney**

### Today's Presentation

"Wisconsin Man Art" is what happens when men are left unsupervised and have access to cement, broken bottles, scrap metal and other resources and have a need to create.

Throughout Wisconsin there are unique "art environments", some that are world famous and others that are totally obscure. Over the last five years Michael has been discovering, documenting and capturing the story behind some truly unique creations. Stories that might motivate you to take a road trip and experience them yourself."
