

## TODAY'S MEETING:

**DOGE Lemonade**  
**Mike Waterstreet**

## Today's Presentation

Mike Waterstreet was born and raised in the Fox Valley and has a graduate degree from UW LaCrosse. Mike worked at the family business, a small convenience store in the Oshkosh area, at which he has played a major role. It wasn't always easy, and like most small businesses, they struggled for many years until they found their sweet spot which was building their client base through solving their client's wants and listening to their needs.

Today we'll hear how an idea way back in 2009 became Doge Coin lemonade, a refreshing beverage that embraces the playful and positive spirit of the Doge, bringing a sense of joy and lightheartedness to your day. DOGE stands for do good every day which we happen to think is a perfect way to run a business.

If you've been to a sample Saturday at the Oshkosh Food Co-op then there's an excellent chance you've met Mike and enjoyed samples of Doge Coin Lemonade, the best tasting, thirst quenching, zero sugar, zero calorie lemonade on the market.

The company donates 2% of all Doge Coin lemonade sales to animal shelters that provide a healing place for abused, abandoned, exploited, vulnerable & neglected animals.

We are looking to gauge your interest level in hosting an exchange student through our club for the 2024-2025 school year. There would be some financial requirements that the club would have to commit to along with finding host families. Please complete the 2 question survey to find out if we would have enough interested host families in order to move forward with the consideration of hosting the exchange student.
