# TODAY'S MEETING: **SCORE Fox Cities Kathleen Wall**

# **Today's Presentation**

Kathleen Wall is the chapter chair for SCORE Fox Cities. She also helps with the Education Committee. Kathleen has knowledge of business operations. Her experience with Business School Educator in Operations Management, organizational behavior, business communications, business values, and ethics helps her in this role. She has extensive experience in helping business owners with operational issues, especially in the areas of materials management, and systems implementation. SCORE, the nation's largest network of volunteer, expert business mentors, is dedicated to helping small businesses plan, launch, manage and grow. SCORE is a nonprofit organization that is driven to foster vibrant small business communities through mentoring and educational workshops.

SCORE mentors offer area-specific advice at no cost (financing, human resources, business planning) via email, telephone and video.

SCORE mentors, all experts in entrepreneurship and related fields, meet with their small business clients on an ongoing basis to provide continued advice and support.

SCORE provides a wide range of services including training, webinars, online workshops, courses on demand, and a library of online resources.

Owning a business is both exciting and intimidating; but SCORE offers lots of support. SCORE Fox Cities servers Calumet, Green Lake, Fond du Lac, Marquette, Outagamie, Waupaca, Waushara, and Winnebago Counties.
