

TODAY'S MEETING:

The Taqueria
Elie Saad

Today's Presentation

Today we are welcoming Elie Saad who is the owner of The Taqueria, one of Oshkosh's newest local and family-owned restaurant. This is a place where passion meets flavor, service, and tradition.

By tapping into their family's long history in food, drink, and hospitality, they're able to offer you a fun and welcoming place to gather with family and friends. Their goal is to provide authentic Mexican cuisine prepared with the best ingredients in a friendly and welcoming atmosphere.

Their menu features tacos, elotes, burritos, tostadas, vegetarian options, and more! All of their dishes are prepared with fresh ingredients. If you want to get your taco fix without spending a lot of money, come on down to The Taqueria! Speaking of tacos, of course they offer Taco Tuesday specials that are sure to satisfy any craving you might have. They offer online ordering, carryout, delivery, and catering options.

We're excited to hear about Elie's journey to opening The Taqueria and we hope you'll come with lots of questions.
