Join Rotary for International Women's Day on March 8th

Rotary sent out the following email about an online panel discussion that you can register for:

On 8 March, 2024, Rotary International is hosting a 60-minute panel discussion as a way to celebrate and recognize International Women's Day, and we would love for you to join us!

The discussion will focus on the importance of not only including but being a champion of women in leadership — in the workplace and beyond. We will discuss the importance of identifying leaders early, establishing mentorship and sponsorship programs, supporting women in joining women-led professional organizations, and focusing on allyship. We'll also announce and celebrate the recipient of the 2023-24 Sylvia Whitlock Leadership Award.

This event is open to Rotary members and members of the public of all genders. Feel free to share with your networks.
