## Today's Program: Inductions

### WENDY'S WHEEL

### Lead the Way! Rotary International's Theme

As I enter the last months of my presidential term for Southwest Rotary, I have begun to reflect on what this year has meant to me.

Here are a few things I am thankful for: The endless volunteer hours put into our schools through our Vocational Service, all of the people we have impacted internationally, being able to leave this community a little more beautiful than when we first entered it, for all of the organizations that have become the beneficiaries of one of our fundraisers, that I got to know Dennis Fletcher and his family, for not being impeached, for all of the man-food at Robbins, and for Marcus.

As a leader in our community, **Lead the Way** and be the example to a better future!

### NEWS AT A GLANCE

- The Changing of the Guard event will be held June 27 at the Bridgewood Resort Hotel and Conference Center in Neenah. If you would like to help plan the evening's event, contact Marcus Butts.
- Golf! Golf! Golf! There will be two Titan golf events coming up, the Titan Open at Lake Breeze on Monday, May 14, and the Titan Opener scramble on June 8. If you want more golf, you can join the "Bogies R Us" SW Rotarian golf group that meets every Tuesday around 4 p.m. or 4:15 p.m. Non-Rotarians can also join the group. You don't have to golf well (according to the group), and you can have fun with Bill W., Doug, Kate, John H., Jim C., Karen and Nicole. Contact Bill, John or Jim for details.
- WineFeast's statistics are not yet fully tallied. We're waiting for the Boys and Girls Club to finish that process. All of the committees have met for a post-event discussion in preparation for next year's event. In an effort to raise more money, there will be a major structural change. The general admission tickets will not be available, and people will have just two choices: Cellar Select or Grapes and Grains. Thank you to the Vice-President of Marketing and Development at Citizen's First Credit Union for consecutive years of significant financial support for this event. (Reported by Duane Helwig).
- Our incoming student exchange student will be coming from India this summer. Downtown Rotary will be hosting a male student from Brazil. If you know of Rotarians or non-Rotarians who might be willing to serve as host families for either student, please contact Kate Thome or Tom Shepeck. The first host family has already been identified for our female student, but we will need a couple of other families to host her as well.

## NEW MEMBER ROTARIAN OF THE WEEK

**Lori Davis**

President/Owner

Valley Graphics Printing Company

**Favorite club project:** In the short amount of time I've been a member, I've only had the chance to participate in the Bowling Event and be on the Cellar Select Committee for WineFeast. Both events were great. The attendance and overall success of WineFeast is amazing.

**Proudest achievement:** Marrying my high school sweetheart of 25 years and raising two great boys who will now both be in college. Balancing my family life while starting up and owning two businesses.

**Earliest memory:** Drinking a bottle of People's Beer with my Dad!

**Nobody in my club knows:** When I was 20 years old, I packed up my sleeping bag and rode across the country with my husband and younger brothers on motorcycles.

**Favorite part of every Rotary meeting:** Starting the meeting with the invocation. I love the fact that Rotary has not lost sight of America's traditional, core values.

**Three things I'd want on a deserted island:** Helicopter, gas and a pilot!

**If I hadn't become a Rotarian, I never would have:** Met so many talented and thoughtful people who together do so much for the community and others less-fortunate all around.

**The one television show I don't usually tell people I watch is:** "Overhaulin' " with Chip Foose.

**When I tell people I'm in Southwest Rotary, they:** Speak well of the club and then add, "Southwest is the active and fun group, you'll love it!"

**If I had to eat three foods for the rest of my life, they would be:** Pizza, fruit and a vegetable.

## THE FOUR WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
