Seven Goals for 2012

From Rotary International News

End Polio Now - Consider planning a fundraiser for polio eradication, or light up a local landmark as part of Rotary's anniversary February 23rd. Contribute to PolioPlus, and learn more about Rotary's eradication efforts.

Think strategically and set club goals - A new online assessment tool will be launched in July to help clubs set goals and track their accomplishments, such as contributions to The Rotary Foundation. Available in Member Access on the Rotary.org website, it will replace paper-based tracking methods and help RI measure Rotary's global impact. Help your club work more efficiently by using the tool to set and measure club goals.

Rotary Foundation - Make a resolution to donate to the Foundation's Annual Fund in 2012. Skip one latte a week and you'd have \$100 or more to contribute to your club's Every Rotarian, Every Year effort.

Get inspired at the RI Convention - The 2012 RI Convention in Bangkok, Thailand, 6-9 May, will feature speakers including Nobel Peace Prize recipient Muhammad Yunus and Global Poverty Project CEO Hugh Evans.

Celebrate Interact - Interact will celebrate its 50th year in 2012. Since the first club was established in 1962 at a high school in Melbourne, Florida, USA, thousands of communities worldwide have benefited from Interactors putting Service Above Self.

Publicize your good work - PR grants enable districts to raise Rotary's profile and promote the global and local work of Rotarians. To further promote your club's signature activities, be sure to update your website with information about your projects and meetings and follow what Rotary is doing on sites such as Facebook and LinkedIn.

Connect with alumni - Rotary Foundation alumni can be effective speakers at club meetings, and many are potential club members. Reach out to them.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
