RI Foundation Message

At the RI Convention in Bangkok, Thailand, in May, I spoke about The

Rotary Foundation's five important goals for this year. Goals that require great efforts, not only by the leadership of Rotary, such as club presidents, district governors, RI directors, and Foundation trustees, but by all 1.2 million Rotarians, everywhere in the world – including the ones who couldn't attend the convention.

The Foundation will achieve our monetary goal only if every Rotarian, and every club, contributes something this Rotary year. And we will be successful in rolling out our Future Vision Plan worldwide only if every district, working with the regional Rotary Foundation coordinators and district officers, provides the recommended structure and training that will result in a stronger and more cost-effective way of Doing Good in the World.

With a more efficient Foundation, we will support the goal of RI President Sakuji Tanaka to build *Peace Through Service*. We will do this while we plan for the introduction of stewardship safeguards, particularly for District Designated Fund spending.

No goal is ever achieved without a plan. Your club and district should already have a plan in place for achieving your goals for 2012-13, and now is the time to put it into action. To reach our goals, every Rotarian, club, and district should participate in The Rotary Foundation, whether by carrying out a Foundation grant project, telling others about the good work that Rotary accomplishes every day, or raising funds to support our educational and humanitarian efforts. I urge every Rotarian to commit today to achieve Rotary's 2012-13 goals. We can do it. We will do it, but only if every Rotarian in the world plays his or her part.

So, Rotarians, let's get started.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
