Honoring Community Service

In November the club will honor members who have earned Paul Harris awards. At that time we would also like to make an award to one of two people in the community who have also followed Rotary's motto of "Service Above Self." If you know of someone who should be honored for their volunteer efforts, please write up a one-paragraph description of their work and give it to Mike Scott or Bill Wresch.

Public Relations

Committee chairs, club members, anyone who is working on a program or event for the Oshkosh Southwest Rotary Club please fill out and submit event information forms. They are available for download at our club website, www.oshkoshsouthwestrotary.org. This information will be used to spread the word in our community about all the great things we are doing. Completed forms should be submitted to Vicki Redlin, VRedlin@co.winnebago.wi.us. Thanks in advance for your help with our public relations efforts.

Vocational Service

Thanks to the Vocational Service chairs our club will be taking a field trip this fall to learn about a local business. On Wednesday, November 21 we will have the option of touring

Curwood/Bemis during our regular meeting time. Sign-ups are coming soon. The goal is to visit local businesses twice a year. A roundtable will be held at Robbins.

Rotary Project Planners

If you organize an event or activity on behalf of our Rotary club, please take a moment to visit our club's website (www.oshkoshrotarysouthwest.org) and fill out the Project Planner Information Collection Form. You can find it in the "members only" section of the site. Click on "Project Planner" and download the form from the box on the right side of the page. This information will be used to ensure a long and healthy future for all of our Rotary related activities.

Paul Harris Plaza (Racine)

On Thursday, November 15 at 5 p.m. the City of Racine and the Downtown Racine Rotary Club will rededicate the Paul P. Harris Plaza in downtown Racine. As part of a \$5.5 million street construction, the plaza, named after the founder of Rotary International, was expanded and the existing clock was refurbished and relocated to a more visible location.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
