State of the City

Staff from Oshkosh Media Services

department will be here today with the City Manager, hoping to get a few video clips to use in the State of the City presentation in March. These would consist of anyone willing to step in front of the camera for a minute or two, to either ask a question, make a statement, or just give an opinion. You will be asked questions such as:

"What are the issues facing the community that we need to work on?"

"What do you think we should discuss at State of the City?"

"What would you like to see for the future in Oshkosh?"

Please stick around after today's meeting if you are interested in participating.

Peru and You

"Mr Bill" (Thimke) who has been an integral part in the programs in Peru may someday wish to

retire. Do you have an interest in carrying on his legacy?

Contact Bill Thimke, Jeff Potts or John Hobbins.

The Four Way Test

Of the things we think, say or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it **build** good will and better friendships?
4. Will it be **beneficial** to all concerned?
