## TODAY'S SPEAKER

Today's speaker is  
Alex Hummel.

Alex will share  
information on the

organization **Fox Valley Voices of Men.**

Fox Valley Voices of Men is a program of Goodwill Industries of North Central Wisconsin. Its mission is to help end sexual assault and domestic violence by dismantling Man Box culture and building a culture of Healthy Manhood.

Voices of Men was founded in 2007 in the Fox Valley region (Wisconsin) when four regional domestic violence/sexual assault agencies (Christine Ann Domestic Abuse Services Inc, Harbor House, Reach Counseling, and Sexual Assault Crisis Center) gathered men for a "Men's Summit. Inspired by the Men's Summit, a group of 40 men wanted to do more. The effort received a boost through a 2008 CHAT (Community Health Action Team) plunge on domestic violence led by ThedaCare. Following the plunge, a steering committee was formed to plan an intensive four-month initiative starting in January 2010. This effort culminated in a community breakfast that drew more than 400 well-meaning men who wanted to be part of the solution. This breakfast has become an annual event (attracting nearly 1,100 people in recent years) to learn about simple everyday behaviors that can either foster a culture that enables violence and sexism, or can help elevate women and girls and create a culture of safety and dignity. Voices of Men's education and advocacy work is now year-round, in partnership with its founding agencies, schools, corporations and an array of other community allies. The next Call To Action breakfast event is Tuesday, Nov. 7. Registration is available at [voicesofmen.com](http://voicesofmen.com)

## The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
