Parent Connection

Just a reminder that we are collecting "unwanted" Halloween

candy for the Parent Connection Christmas party. Pick out a "few" of your favorite pieces, say goodbye and then donate the rest to the kids!

Bring to any meeting or contact Jeff Krueger. Thanks in advance!

I have signed up for **Friday, Feb 15** to serve the meal at the warming shelter. Are there any Rotarians who would like to join me?

I'd need 4-5 more people from 5:30-7:30ish. I'll take care of getting the meal together.

For more information or to volunteer, contact Jessica Benesh.

Rotary Foundation Month

Dear fellow Rotarians – It is amazing how fast the days go by, so I say to all, welcome to

the 11th month of the year better known as November. This is Rotary International's designated month for the Rotary Foundation. Our Rotary Foundation transforms our contributed treasures into projects that change lives in our local and global communities. In recognition of how amazing and impactful our Rotary Foundation is, it has received 11 consecutive 4-star ratings from Charity Navigator something that seems to be the most accomplished by any reputable charitable organization so far.

With it being the charitable arm of Rotary International, we can tap into the global network of fellow Rotarians who join us in investing time, talents and treasures into our priorities as Rotarians i.e., Peace and conflict prevention/resolution; disease prevention and treatment; water and sanitation; maternal and child health; basic education and literacy and finally, economic and community development.

The Foundation grants we receive, based on our contributions to it, empowers us to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact. I am a firm believer that each human should strive daily to do better than they have done the day before so in the same vein, I implore each of us to contribute more than we did the last time to the Rotary Foundation, so we can increase the reach and impact of what we do.

Thank you all for what you do in your local and global communities.

God bless you all!

~ Kola Alayande
