

## Today's Presentation: Grace Lim Humans of Oshkosh

### Today's Presentation

Today's presentation is by Grace Lim. Telling Stories for Fun, Profit and World

Peace - The story behind the Humans of Oshkosh. In UW Oshkosh instructor Grace Lim's class, students are charged with populating the Humans of Oshkosh Facebook page, which highlights the stories of the people they meet in Oshkosh and surrounding areas.

Since the class started in Fall 2014, students have collected more than 2000 stories and produced five books. The sixth book featuring veterans will be published next week.

Ms Lim will touch on the purpose of the class, which is to teach the students about the power of storytelling and the value of talking to strangers.

Thank you, Grace!

### 50 Things Every Rotarian Should Know About Rotary

(33<sup>rd</sup> in a series)

By Steve Garret  
District 5300 Governor 1994-1995

#### 33. ROTARY FRIENDSHIP EXCHANGE

An interesting Rotary program of fellowship is the Rotary Friendship Exchange. This activity, originally recommended by the New Horizons Committee in 1981, is intended to encourage Rotarians and spouses to visit with Rotarian families in other parts of the world. It may be conducted on a club-to-club or district-to-district basis.

The idea is for several Rotarian couples to travel to another country on the Rotary Friendship Exchange. Later the hospitality is reversed when the visit is exchanged. After a successful pilot experiment, the Rotary Friendship Exchange has become a permanent program of Rotary.

The Rotary Friendship Exchange is frequently compared to the Group Study Exchange program of The Rotary Foundation, except that it involves Rotarian couples who personally pay for all expenses of their inter-country experience. Doors of friendship are opened in a way which could not be duplicated except in Rotary.

Rotarians seeking an unusual vacation and fellowship experience should learn more about the Rotary Friendship Exchange. Some unusual Rotary adventures are awaiting you!

Looking for hosts now.
