

## TODAY'S PRESENTATION:

**Nate Olson**  
**The Effects of 9/11**

### Today's Presentation

Today's presentation is by Rotarian, Nate Olson. Although many of us

may not have known anyone killed in the attacks on September 11, 2001, we have all been affected in some way or another. The attacks subjected a generation of Americans to war, the effects of which are carried with our service members long after they have returned home. Many service members are able to successfully navigate through the stages of transition – and many are not.

Today you will hear about my transition and the struggles I faced and continue to overcome. September 11, 2001 may have been 18 years ago, but the effects and fallout are still being felt today.

Thank you for your service, Nate!

## THE FOUR-WAY TEST

Of the things we think, say or do

*first*

Is it the **TRUTH**?

*second*

Is it **FAIR** to all concerned?

Will it build **GOODWILL**

*fourth*

Will it be **BENEFICIAL** to all concerned?
