

TODAY'S PRESENTATION:

Brianna Klotz, DNP

Water City Care Mission, St Anne's Clinic

Today's Presentation

Today we welcome
Brianna Klotz, DNP.

Water City Care Mission was developed in

response to Catholic Social Teaching's Call to Family, Community, and Participation – that people have a right and a duty to participate in society, seeking together the common good and well-being of all, especially the poor and vulnerable.

St. Anne's Clinic is a charitable clinic providing primary care (management of acute and chronic conditions, including mental health, preventive care, and health promotion) for the uninsured and the under-insured in the Oshkosh area community. We define under-insured as having insurance but not being able to afford to use it. We won't charge our patients any fees for service. We won't turn anyone away for inability to pay. We will gratefully accept donations from those who are able to afford to donate.

Thank you, Brianna!

2020 Environmental Leadership Award

The City of Oshkosh Sustainability Advisory Board (SAB) along with the Community Environment & Beautification Committee of Oshkosh Southwest Rotary will award an individual, group, or project for environmental leadership. These awards are designed to recognize those whose environmental leadership has made a significant contribution to the community and has had a significant impact on the environment.

<https://vredlin.wufoo.com/forms/z3mha543040gme/>

Registration forms are available through this link above.

The selection committee will choose the award recipient using the following criteria:

1. Environmental activities within the City of Oshkosh participation area (new)
2. Leadership contribution (past and present)
3. Development of an innovative or model program, or facility in use or being considered for use by others
4. Leading or fostering a long-term initiative making a substantial contribution to environmental protection or removal of environmental hazards
5. Leadership influential in achieving a documented substantial improvement in quality of the environment

Applications will be accepted through January 31, 2021. Applications will be reviewed in February 2021 with award recommendations to SAB in March 2021 then on to the City Council for approval. Awards will be given to recipients at the State of the City Address in March 2021.

Meet our Members Marcus Butts

Meet Marcus Butts!

Marcus serves on our Board of Directors - New Generations.

Hometown: Grew up in Milwaukee, Wisconsin and came to Oshkosh to attend UW Oshkosh.

Occupation: I work for Verve, a Credit Union as the Director of Community Partnerships. I am lucky to have enjoyed over 16 years in the credit union business. We are a local not for profit full service financial institution dedicated to serving our members and our community. We have a full array of products from your kids savings account to commercial lending in the millions. I am here to serve!

Family: I've been married to my wife Mary for over 35 years, we have a daughter, Olivia, and son Evan, who is married to Emily. We also have a grand dog Mozzy.

Hobbies & Interests: We enjoy camping and being outdoors, (biking, walking, etc.). I also enjoy golfing, all types of sporting events and anything fun!

College(s) & Degree(s): I started at UW O but completed by degree at Marian University of Wisconsin with a BBA with a Marketing emphasis.

Awards & Accomplishments: I have been lucky to have won many awards and recognitions over my many years of work and volunteering, blessed.

What do you love about Oshkosh

Southwest Rotary? I love being a part of an organization that is all about giving back, especially to the youth of our community. I really enjoy being involved in the PALs (Partners at Learning) program and working with our PAL Roosevelt Elementary. "It's all about the kids!"

What organization(s) do you enjoy

volunteering for in the community? I do volunteer for a few when I can but I enjoy the ones that focus on making our community a better place for our kids

What's something people wouldn't know

about you? I won a trip to the 1992 Olympics in Barcelona, Spain through Miller Brewing Company when I worked for General Beverage. What an awesome experience!!!

If you could have a superpower, what would it be? To be able to fly that would be pretty cool

Marcus has been a member of our club for many years and we are so lucky to have him! He is a great asset to our community!

Recipe of the Week Craig Burnett

Here's another from Craig Burnett (also from Men Who Cook):

Portobello Mushroom Quesadilla Bites

Ingredients

1 small white onion, chopped fine
1 Portobello mushroom cap, chopped
1 medium firm tomato, peeled & diced
2 cups masa harina ("masa mix")
1-1/2 cups water
1/2 tsp salt
vegetable oil
Monterey Jack cheese

Preparation

Sauté onions in 2 Tbl oil until almost softened. Add mushrooms and cook over medium heat until softened. Set aside to cool to room temperature. Once cool, mix in diced tomato. Mix masa harina, water and salt until it forms a dough. Knead dough thoroughly; about 2 or 3 minutes. Break off dough into 1-inch balls. Flatten balls with rolling pin into 3-inch circles. Fill 1/2 of each dough circle with mushroom mix and top with Monterey Jack cheese. Fold dough over and pinch edges to seal. Heat 1 inch of oil in deep skillet over medium heat. Fry quesadillas, turning several times, until golden brown. Dry on paper towel. Serve hot.
