Welcome Home !!

Today (Feb 1) is 66 days post-transplant and Art is still doing very well. So well in fact, that last Thursday, Doc Litzow gave him the green light to come **HOME**.

Art will still have to go back to Mayo once a week, take handfuls of pills and do home magnesium infusions daily... but we'll take it!

Art has settled in nicely with all the coziness of home, head tickles from Hannah, some ice fishing and rabbit hunting, an even greater appreciation for his lake views and an extreme gratefulness to feel more "normal" than he has in a very long time

Now that he is back in town, it will be tempting to want to see him. Please understand that he is still very immune compromised and needs to maintain quarantine status.

This is the 5th year that we earned the **Best of Home Care - Provider of Choice** and **Best of Home Care - Employer of Choice** awards.

We also earned the **Best of Home Care - Leader in Excellence** award 4 times. To earn the Leader in Excellence award you have to exceed the average score in 2/3 of the categories for Provider of Choice and Employer of Choice. We exceeded the industry average in 100% of the categories all 4 years; which, has only been achieved by 2% of all home care agencies that take part in the Home Care Pulse quality assurance program.

THE FOUR-WAY TEST
Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
