Today's Presentation

Today we welcome, via Zoom,

Chris Henry. Chris is on staff with the EAA Aviation Museum in Oshkosh, WI. He has been working in

aviation since he was in 12 years old when he first started volunteering at the local air museum.

In the course of his work, he has been closely involved with the B-17 program for the B-17 "Aluminum Overcast". He has worked to reconnect the veterans who once crewed the bomber.

Thanks Chris!

Famous Rotarians

The name Disney is known all over the world and is the brand name of

characters and stories that are cherished and beloved the world over. Behind all of this wonder, the voices of Mickey Mouse and the seemingly endless parade of characters that the company put out was the vision of one man, Walt Disney.

As a movie producer, Disney holds a record, unlikely to ever be broken of 22 Academy Awards from 59 nominations.

Mickey Mouse, Disney's most famous creation, is still a cultural icon and source of family entertainment almost a hundred years after Walt first drew him.

Disney was a member of the Rotary Club of Palm Springs CA.

After a hiatus necessarily imposed by the COVID-19 pandemic, the

TEDxOshkosh team is thrilled to announce that TEDxOshkosh will return **live** to the historic stage of The Grand Oshkosh on Saturday, November 20, 2021.

After such a long hiatus of social gatherings, the TEDxOshkosh team thinks our re-emergence in late fall of 2021 will be one of the things that help our community to return to a sense of normalcy. Working jointly with the staff of our venue, The Grand Oshkosh, and with insight from local health officials, we will put on TEDxOshkosh following recommended safety practices suited to the time of the event in late November.

THE FOUR-WAY TEST

Of the things we think, say or do

first
Is it the **TRUTH**?

second
Is it **FAIR** to all concerned?

third
Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

fourth
Will it be **BENEFICIAL** to all concerned?
