Today's Presentation

Special Olympics

Today we
welcome
Debbie Hoff.

Special Olympics is a global movement that unleashes the human spirit every day around the world through the transformative power and joy of sport. Through programming in sports, health, education and community building, Special Olympics is tackling the inactivity, stigma, and isolation that people with intellectual disabilities (ID) face. Our work in Oshkosh goes far beyond sports events, driving social change that enables full social participation for people with ID.

Oshkosh Special Olympics serves over 100 people with intellectual disabilities. We provide year-round sports training and athletic competition in a variety of sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of friendship with other Special Olympics athletes and their community. Through the power of sports, Oshkosh athletes discover new strengths and abilities, skills, and success. Oshkosh Special Olympics athletes find joy, confidence, and fulfillment, on the playing field and in life. They also inspire people in the community of Oshkosh to open their hearts to a wider world of human talents and potential.

Thank you, Debbie!

Rotary

Rotary's 7 Areas of Focus

Basic Education & Literacy

More than 775 million people over the age of 15 are illiterate.

That's 17 percent of the world's adult population.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

Is it **FAIR** to all concerned?
