

## TODAY'S PRESENTATION:

**Vet Team Steps up for K9s**  
**Lyn Schuh**

### Today's Presentation

Today we welcome  
**Lyn Schuh**

While the community may view police canines as a cute, furry, unstoppable

force, they – and the dogs' handlers – may not realize they get injured more than the average pet. A group of longtime veterinary colleagues stepped into providing training to first responders in how to treat a canine if they are hurt in the line of duty through the Operational K9 Medical Team of Wisconsin (OPK9).

Dr Lisa Converse (fka Peters), Lyn Schuh CVT, & Kris Eggleston CVT, are the core group and founders of the Operational K9 Medical Team of Wisconsin. Along with the assistance of Veterinarians, Veterinary Technicians, Canine Trainers, and various members from the Human Medical Community, they have been educating K9 law enforcement handlers across the State of Wisconsin on prehospital medical care for their K9 partners for over a decade.

Recently, they have added Search and Rescue, Military K9 Teams, EMS Personnel and Firefighters to their training sessions. The training classes range from basic handling skills of K9s to advance life-saving procedures using scenario-based training. In addition, the team advocates for prehospital care legislation and was actively involved in the passage of Wisconsin Senate Bill 435.

The Mission of the Operational K9 Medical Team of Wisconsin is to provide prehospital care education and support for those assisting injured Operational K9's throughout the State of Wisconsin.

Thank you, Lyn!

## SERVICE OPPORTUNITIES

### Day of Caring – May 4

Each year, Oshkosh Area United Way hosts

**Day of Caring**, presented by Amcor and supported by SNC, one of the largest organized volunteer events in the area. Day of Caring is a community-wide service day with hundreds of volunteers working on projects hosted by local organizations throughout Oshkosh. Participating in Day of Caring is a great way for anyone of any age to lend a helping hand to amazing organizations that are strengthening the community we live and work in.

On **Wednesday, May 4**, we ask residents, students, families, and employees to consider spending a half-day volunteering at our Day of Caring event to give back to the organizations that are doing so much to better the lives of our friends and neighbors. A few examples of volunteer projects include landscaping, writing thank you cards, sorting socks for Back 2 School Fair, moving or assembling furniture, proofreading, reviewing HR Handbooks, social media recommendations, etc.

We'll kick off the morning with a delicious free breakfast buffet at Best Western Convention Center and a few opening remarks from community leaders before volunteers head out to their assigned project sites. All volunteers will receive a free United Way T-Shirt.

### Medallion Installation

The Environmental & Beautification Committee is planning a medallion installation on storm water intakes

along the curbs of an area near South Park. The installation process is simple and perfect for student groups as well as parents with kids.

Installation is done by groups of at least 2 persons to a team who follow a map of given streets to install the medallions on the curb next to the storm sewer intake grates. Installation is via a glued disc that is simple peel and stick

It is essential that we have a minimum of 10 volunteers to complete the area designated for medallions. The install should take only an hour or two (depending on speed of teams).

May 14, 8:30am, near South Park gazebo, corner of South Park Ave & Georgia St.

May 21, rain date, same time and place.

### THE FOUR-WAY TEST

Of the things we think, say or do

*first*

Is it the **TRUTH**?

*second*

Is it **FAIR** to all concerned?

*third*

Will it build **GOODWILL**  
and **BETTER FRIENDSHIPS**?

*fourth*

Will it be **BENEFICIAL** to all concerned?
