Parent Connection Christmas Party

Another successful Christmas Party for **Parent Connection** children and families is in the books! Pun intended, because over 500 books were given out to the 56 families who participated! Thank you to our Rotarians and members of the community who donated books to this project

We're also so grateful for the many volunteers, shoppers, and sponsors of children and families that grant us the opportunity to host this event year after year. It takes a village to make all this "good" happen! Our rotary village is a pretty special one

... a few additional supporters!!!

Fleet Farm Oshkosh, Fleet Farm, and Town of Algoma Fire Department contributed large donations towards gifts for the 128 children.

Our local **McDonald's** provided the meal for all 56 families. Thank you, Killian Management Services.

Winnebago County Farm Bureau Winnebago County Dairy Promotion donated 200 pint size chocolate milks for the families to enjoy with their meal.

Revs Bowl Bar & Grill donated condiments and utensils for the party, and also provided us with speakers to play Christmas music.

St John's Evangelical Lutheran provided us a wonderful space to host this year's event, in addition to our wrapping party the night before. It was perfect for our large group of 200+ and the kitchen area made it so convenient to serve food! Thank you to the generous staff and volunteers of the church who assisted us.
