

TODAY'S MEETING

Open World Delegation from Romania

Oshkosh Waterfront Hotel - 1 N. Main St.
Athearn Ballroom C

This week we are excited to welcome a delegation from Romania as part of the Congressional Office for International Leadership's Open World Program. The

Open World program is a ten-day professional exchange built on the foundational values of authentic communication and immersive cultural experiences.

Starting in Washington, D.C., delegates explore the concepts of American federalism, culture, and leadership. After their time in Washington, DC, small groups are hosted by various groups around the country. This year the Fox Valley Technical College (FVTC) Venture Center is hosting five Romanian entrepreneurship professors who are eager to learn about entrepreneurship ecosystems, higher education resources for entrepreneurs, startups, and small business owners, social media, and tourism. During the week they will be meeting with local and state government representatives, business leaders, entrepreneur educators, entrepreneurs and small business owners from Appleton, Green Bay, Oshkosh, Neenah, and Milwaukee, as well as presenting at both the Neenah Rotary and Oshkosh Southwest Rotary November meetings.
