## **Rotary Friendship Exchange**

The Rotary Friendship Exchange program is in full swing. Rotary is sending about a dozen members to Peru to visit Rotarians there from May 17-26, 2025.

**We need dedicated host families to welcome Peruvian Rotarians** to our District from August 2-11, 2025. Hosting is typically only for a few days, and is a rewarding experience that allows you to share our local culture, build international friendships, and showcase the best of what our community has to offer.

**We are also looking for Ten Rotarians to go on a Rotary Friendship Exchange to Argentina** in December 2025. The RFE will start in Buenos Aires and then to another area of the outbound Rotarian's interest. Rotarians may bring their spouse or significant other. Rotarians that have never been on an RFE will have priority.

If you have interest in the RFE, contact District 6270 RFE Chairman, Randy Helbach, as soon as possible at [randyhelbach@hotmail.com](mailto:randyhelbach@hotmail.com). Click [HERE](#) for more information.

## Rotary Minute:

### *Rotary's Role in Disease Prevention*

Did you know disease prevention is a cornerstone of Rotary's mission? Beyond polio, Rotary funds projects to combat diseases like malaria, HIV/AIDS, and diabetes through vaccination campaigns, health screenings, and education.

Rotarians in Africa distribute insecticide-treated mosquito nets, significantly reducing malaria cases. In India, clubs run health camps providing critical screenings and preventative care to rural communities.

Rotary's global health initiatives save countless lives each year, proving prevention truly is the best medicine.

### And that's your Rotary Minute!

## Beautification Awards
