

## TODAY'S MEETING

**Liz Nevitt, District 6270 Governor**  
Oshkosh Convention Center  
South Breakout Rooms,  
2 N. Main St.

**Liz Nevitt,  
District 6270  
Governor**

## A Message from Our District Governor

To all my Rotary friends (current and future) in Rotary District 6270! I am honored to serve this fantastic group of people as your district governor. I am here to serve, just like you.

Our mission statement in Rotary is: *Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.* That truly says it all. We are here to stand together to make positive change happen. This is expressed in the simple, yet meaningful, message to all of Rotary, from our RI

President: “Unite for Good”. This is the goal of every Rotary club and every Rotarian.

My role as the district governor is to help our Rotary clubs implement Rotary’s mission and Unite for Good. “Good” can come in many forms. We unite for friendship. We unite to help our local and global communities become even better. We unite to strengthen our leadership and professional skills.

The president of Rotary International, Francesco Arezzo, has said that, in order to do “good” in the world, we need to build friendship and trust. Because Rotary is not political or religious, we have the unique opportunity to build that friendship and trust across what might otherwise be barriers, such as different countries, different religious traditions, different genders, or different political parties. Rotary is a place where we can feel safe to be ourselves. We listen, we support and we serve.

The more we share the message and mission of Rotary, the more people will want to join us. This year, let’s think about our dreams and visions for our communities and let’s act on those dreams and visions. Let’s work together and Unite for Good.
