

TODAY'S MEETING

Autism Society of Wisconsin
Oshkosh Marriott Waterfront, Ballroom A
1 N. Main St.

Today's Presentation

For over 60 years, the Autism Society of Wisconsin has been dedicated to improving the lives of all who are impacted by autism by providing information, resources, and support, while raising awareness and acceptance in our community. We do this by increasing public awareness about the day-to-day issues faced by people on the autism spectrum, advocating for appropriate services for individuals across the lifespan, and providing the latest information regarding treatment, education, research, and advocacy.

In January 2026, the Autism Society of South Central Wisconsin and the Autism Society of Greater Wisconsin joined together to form a new statewide affiliate: the Autism Society of Wisconsin.

DAD JOEKS

Sometimes when I get bored, I like
to tuck my knees into my chest
and lean forward.

That's just how I roll.
